

Norwich and District Pike Club

Minimum Tackle Statement

All members of the NDPC will be expected to abide by these standards to help preserve the pike stocks on the Broads.

All members will use/have available when pike fishing while using the club facilities-

-42" triangular or 30" round landing net with Knotless mesh.

-A large unhooking mat (39"x19" minimum) or a device similar to the 'sladle'.

-10" long forceps or pliers

-10" hook cutters

It is recommended as a minimum that;-

-15lb monofilament line or 30lb braid (45lb is better) is used.

- 18" wire trace of 28lb breaking strain (at least) is used.
